

Watercooler Boogie

I stand so majestic
like lady liberty
full of myself
giving liquids for free

in comes Maureen
like a fly on the wall
Guiding Light is her favorite
but she knows them all

Bob he likes football
Joe it's the Mets
Monday's the best night
it's as good as it gets

reality shows
God forbid there's a war
current events
who knows what's in store

a community center
the corporate town square
where meetings take place
and conflicts are rare

everyone comes here
they dance and they jig
holding my hand
it's gone with one swig

the stories they flourish
in the middle is me
a water tank and spout
part of the family.
