

Just a second, while I change my hat

Good morning,
 how can I help you?
Yes that is possible,
 we can ship directly to you.
It can do all of those things,
 and save you money.
If you uninstall,
 you can re-register on a different PC.
I can open up an A/R account,
 or process on a credit card.
By taking out a lease,
 we can spread your payments equally over one year.
With our commitment to this market,
 we guarantee performance.
Simply attend a webinar,
 our technicians will step you through it.
I can get the staff on that right away,
 these issues will be addressed at the highest level.
Thank-you for your support,
 and remember, I'm listening.
