

Bonus Bucks

Hungrily you input the numbers
adding, subtracting, and multiplying complex columns
invigorated mathematician developing a theory.

Late night drinks
early morning meetings
smiling at objections

researching the competition
empathizing their plight
providing the edge

demonstration of features
achieved bottom line
synergistic adrenaline rush

anticipation of success
shaking hands connect
beneficial deal sealed

successful delivery coordinated
satisfied customers catalogued
repeat the above.

Basking in the enlightened quarterly report
rewards of a proven formula
Pythagoras would be proud.
