

Now that's a cool title

When money's at a premium
a waste to ask for more
you search for a solution
something never done before.

How about a bigger space?
an office of your own,
but that is of no use to me
I work out of my home.

Parking spot right by the door
mere inches and you're there,
leave it for the elderly
out of respect and being fair.

Brand new car on lease for you
a Lincoln or a Vette,
I take the bus, is your reply
it's safe and a good bet.

Membership to a gym
get your body tight and buff,
I'm happy living like I do
exercise appears too tough.

I think I know just what you need
"Creativity King" is vital
you beam and jump up from your chair
Now that's a cool title!
